INJUNCTION GIVEN TO STOP REMOVAL OF HOUSE

COURT COMMISSIONER GRANTS
COMPLAINT OF RUSSELL
AGAINST MERCER.

Alleging that W. H. Mercer is attempting to remove from his property a building of the value of about \$1,000, James S. Russell has filed a complaint and secured a temporary injunction restraining Mercer from carrying out his alleged plan.

It is set forth in Russell's complaint that the defendant is making preparations for the immediate removal of the house, and an injunction without the formality of giving notice was asked. The matter was heard by Court Commissioner Charles T. Martin, and a temporary restraining order issued, upon the filing of a bond of \$50 by the plaintiff. He gave bond with Peter Gaudino and S. Abraham as sureties. Russell and Mercer have been in open conflict a number of times in the past few months, regarding the possession of a piece of land claimed by Russell a few miles below town on the right of way of the Gila Valley railroad extension to Miami. Mercer holds mineral claims under the land, Russell having a homestead on the surface ground. The two men were in a legal controversy in the justice court several weeks ago, Russell claiming that Mercer had cut the fence around his place and allowed the Gila Valley construction gang to take possession of a portion of his property.

BIG SUIT FOR LIBEL

ATTORNEY RAWLINS WILL DEFEND
SUIT OF BIEBER AGAINST
TUCSON STAR.

To defend a libel suit for \$40,000, against the Tucson Star, Attorney C. L. Rawlins of Rawlins & Little will leave for Tucson this morning.

The suit will open Saturday. Owing to the amount of money involved, the suit is a very important one and a hard fought legal battle is expected.

The suit was brought some time ago by Sydney Bieber, a Washington politician, who came west last fall and took a hand in the Arizona political campaign. Bieber, a republican national committeeman, took up the fight for the election of United States Representative Cameron and during the fight, an article which Bieber considered derogatory to him appeared in the Star.

The suit is formally filed against the State Consolidated Publishing company, better known as the "Kelly String." Attorney Rawlins has defended a number of suits against the company, of which George Kelly, his father-in-law, is president. He has been very successful in the past and is confident of winning the coming suit.

PLANS DRAWN FOR WATER BONDS ON NEW BUSINESS BUILDING WAY EAST TODAY

DESCRIPTION OF BLOCK TO BE
ERECTED BY N. L. AMSTER
ON BROAD STREET.

Plans for the new Amster building, at Broad and Oak streets, have been completed and within the next two weeks the contract for the construction of the new business block will probably be let.

The building will be two stories in height, with a basement. Two store rooms will take up the larger part of the first floor, with office rooms on the second story.

The second floor will be taken up with seventeen office rooms. There will be seven suites of two rooms each and three single rooms.

All of the rooms will be equipped with running water, it being the intention to make as complete a building as is possible.

The main floor will have a full plate glass front, with a glass return on the Oak street side.

As has been previously stated, the Silver Belt will occupy the basement, this space being used for the mechanical department. The business office and editorial rooms will be on the first floor, with an entrance from Oak street.

The two business rooms on the main floor have not been formally let as yet. A number of applications have been made for both, but no final acceptance has been given.

The plans, which have been drawn up by Sultan & Wayne, call for a building handsome in design, with an outside finish of red pressed brick. It is probable that the foundations and the walls of the first two stories will be made amply heavy to support additional stories, if it is later found necessary to increase the height of the building. A set of plans has been forwarded to N. L. Amster and as soon as his official O. K. is received, the contract will be placed.

Birthday Party is Given to Mrs. Tupper

An enjoyable birthday party was tendered Mrs. W. T. Tupper last night, at which the members of the Majestic company and a number of others were present.

Mrs. Tupper was the recipient of a beautiful diamond studded locket, a present from Mr. Tupper, as well as a handsome hand painted pitcher, a gift from the James P. Lee company.

Roses were used in the decorative effect and hand painted place cards added attractiveness to the table setting. Refreshments were served and the guests enjoyed a thoroughly pleasant evening.

MINER SUICIDES

PHOENIX, May 4.—A man named Deman, a miner having a wife in Des Moines, committed suicide yesterday in a barber shop at Bouse. He had been employed at the Clara Consolidated mine, at Swansea.

SPOKANE, May 4.—President J. Herbert Anderson has filed a petition in bankruptcy for the Idaho Smelting & Refining company. He charges that a Montana mining company became interested in the company for the purpose of wrecking it, defrauding the creditors and purchasing the smelter at Sand Point, supposedly for the smelting trust. Anderson charges that the Greenoughs threw the company into the hands of a receiver and secured a warrant charging him with embezzlement solely to discredit him with eastern capitalists.
